

HATHERLY TENNIS

To All Hatherly Tennis Members,

We are now days away from kicking off another exciting new tennis season at Hatherly. We have a large number of new members to the Tennis Program this summer which should serve to invigorate our clinics and our tournaments. Tim and his staff are looking forward to working with all members to help them make the most of their time at the courts. New members can get keys for the tennis hut from the Hatherly business office at 757 Country Way in North Scituate.

We ask all players to abide by a few simple rules in order to maximize the enjoyment of the courts for all members:

- all players will need to wear tennis shoes only on the courts; no cross trainers and other aggressive treads,
- all players are asked to sweep the courts and lines after play,
- please be mindful of the court conditions; if the courts feel like they are too wet to play on they probably are, and
- please refrain from any activities other than tennis on the courts and ensure that your children do the same.

We have finalized the calendar for the summer season as follows:

- June 20th - we will have our official opening and kid's clinic sign up from 10:00am to 2:00pm
- June 27th -our popular Wimbledon mixed doubles social event
- July 14th - the Ladies Member/Guest
- July 25th - the mixed Member/Guest event
- August 1st - the Casey Cup Men's Member/Guest
- August 8/9- the McCarthy Cup parent child 2 day tournament
- Month of August - Club Championships

We will send out flyers for each of the events under a separate mailing with details for each one as they get closer. We would like to communicate via e-mail as much as possible - please share your e-mail address with us if we don't have it already.

We are very fortunate to have Tim Riley and most of his outstanding staff back for the summer; Tim and his staff combine to make the tennis experience at Hatherly one of the best in the area.

- Tim will continue to be our head pro for his 6th consecutive season.
- Clark Vogle is back with us after a successful freshman year playing for the Bucknell tennis team.
- Molly Caffrey is back with us after graduating from Thayer and wrapping up a terrific high school tennis career by winning the Independent League after an undefeated season; Molly is now bound for Fairfield University.
- Chris Nelson is new to Hatherly this year after tearing up opponents across eastern Massachusetts this year as the number one singles player for Scituate High School; Chris is headed for Quinnipiac University in the fall.
- Chum Steele will also be back to help with Men's Clinics and other events.

The weekly schedule will be fairly consistent with last year's schedule with:

- Kid's clinics on Tuesday and Thursdays from 8:30am - 12:30pm by age group
- Ladies clinics on Wednesday mornings at 8:30am - 10:00am and 10:00am - 11:30am
